UNPACKED

Matrimony or marriage is the seventh of the Sacraments. In the sacrament of matrimony two people who love each other make promises to each other and to God. They promise to be faithful to each other, even when times are difficult. They promise to love each other for the rest of their lives and they do all this in God's presence so that he can bless their love for each other. They also promise to share God's love with each other and with any children that they might have.

Wedding's have been around for a very long time and there are stories about wedding's in the Bible. In fact Jesus did his first miracle at a wedding. He was invited to a wedding with his mother and his disciples and whilst he was there, the wine ran out. Doesn't seem like a big deal does it? but when you look on in the Bible wine is a very important symbol. Jesus tells his disciple that wine is a symbol of the blood he shed dying on the cross, something he does to bring us back into a relationship with God. It's a sign of love. Wedding's in Biblical times went on for days and running out of wine was embarrassing for the host, it showed a lack of preparation. By turning water into wine Jesus is stopping the host from having to be embarrassed and at the same time sharing a first sign of the love he has for all those around him.

FAMILY TREE

Christians believe that God made everyone to be a part of God's family. Every nationality, every shape and colour, we belong together, and so we should care for one another.

If you want to, you can write your first-name onto one of the hand shapes on the tree.

If you want to you could create your own tree and handprints and write the names of those in your family as well.

WHAT DOES IT MEAN THAT THESE PEOPLE ARE ALL FAMILY?
