Talk about God's creation with your family.

Listen to the song and think about the ideas and words in the song.

Be grateful for what we have and say thank-you to our creator

What message do Christians take from the story?

Stewardship - What is stewardship? How can we achieve this?

Think of 2 ways humans can look after creation, saying thank you to God for the creation.

Can you write a thank you prayer?

### Praying with a finger Labyrinth

- Sit comfortably, be still and gently pray: "I place myself into your hand O Lord, my God.
- When you are ready... slowly trace the labyrinth with your finger.
- Pause at different places along the way and wonder at the gifts of creation: Light; Water + Sky; Dry Land + Plants; Sun, Moon + Stars; All that flies + swims; Animals + People to care for all creation.
- When you reach the centre... Rest... breath gently and enjoy a moment of rest... think about the gift of rest.  
Where is your favourite place to rest?

# MAKE A CREATION MOVIE

## STEP 1

Read the story of creation- it can be found in Genesis at the start of the Bible. Use whichever version you want!

## STEP 2

Make a storyboard to decide how you're going to retell the story.- the more steps, the longer it will take.

## STEP 3

Download an app such as Stop Motion Studio, to help you piece together your story.

## STEP 4

Decide what medium you're going to use- it could be Lego, soft toys, minecraft, drawing, anything you want!

## STEP 5

Film your story- the trick is to move your characters a tiny bit at a time. The software will turn the frames into a video.

## STEP 6

Send us your videos and we'll share our favourites on our Facebook pages. We can't wait to see what you create!
