## Music - Creation Song by Saddleback Kids

<https://www.youtube.com/watch?v=nWgC62KGsKM>

Here is a song that tells us all about God's creation.

There are a few different versions of the song on Saddleback Kids you tube channel but this one will get you up on your feet.

Have a go at learning the actions.

What's your favourite part of the song?

Can you think of anything we could do to make the song better?

# Creative Prayer

Be still for a moment, stop what you are doing and take time to look out of the window or just sit in your garden.

Stop, look and listen, use your senses to enjoy and explore the beauty of creation all around you.

If you live in an urban, built up environment have a look at these websites, that let you explore the beauty of our natural world through a virtual tour.

**God gave the Earth to us. It is our job to look after it.**

**Why not make a creation bookmark as a prayer by placing some double sided sticky tape on a piece of card. Then go collect some things to fill it from your outside space. Thank God for each one as you go.**

## RETELL THE CREATION STORY:

Re-create different days of creation in art work and we will put together to make a “whole” picture – mosaic/collage  
It would be great if we could combine these pictures across the Diocese and Province of the Church in Wales to create our version of creation through images.

Spirited Arts

# GOD'S GOOD EARTH?

Spirited Arts is a competition run by the National Association of Teachers of Religious Education and it would be great if you could enter. They welcome entries in (almost!) any artform you can think of, including: Art (painting, drawing, sketching etc), Poetry, Photography, Dance, Music, Drama and Sculpture. One of their themes is God's good earth?

---

**ARE WE SPOILING GOD'S GOOD EARTH? SHOULD WE BE THANKFUL FOR IT? CAN WE SAVE IT IN TIME FROM THE THREATS OF CLIMATE CHANGE? THE BEAUTY OF THE EARTH IS CELEBRATED IN MANY RELIGIONS, BUT THE HUMAN SPOILING OF THE EARTH IS A DANGER AND A COMING CRISIS. IN THIS THEME, LEARNERS ARE INVITED TO EXPLORE IDEAS AND BELIEFS ABOUT THE NATURAL WORLD, HUMAN RESPONSIBILITY FOR THE EARTH AND WAYS OF PRAYING ABOUT CLIMATE JUSTICE. GREAT WORK WILL SHOW SOME ORIGINALITY: THE GLOBE IN GOD'S HANDS WON'T WIN!**
