CARE JAR

Take any jar or glass that you can find in your home and write as many ideas of things you can do to show you care onto strips of paper and place them in the jar. Every day take out a strip of paper and do something kind for someone.

EASY FRIENSHIP BRACELET

You will need:

7 Threads in desired colours x 50cm
Cardboard
Scissors
Tin can for making template

Instructions

Using a tin can or similar, cut out a cardboard circle.
Draw 4 lines across your disc to create 8 equal segments.
Make a hole in the middle.
Cut 1cm into each line you drawn – so you have approximately 1cm cut, 2 cm uncut and then the hole.
Take your seven strands of yarn and tie a knot at one end.
Thread your strands through the hole in the disc.
Take one strand at a time and slot it through one of the 1 cm strips. You should have 7 strands tucked in, with one “space slot”.
Take the 3rd strand to the LEFT of the spare slot, lift it up, bring it down and put across the spares slot. This creates a new space.
Rotate your disc for this to point down and pick the strand 3 to the left and fold down.
Repeat.
Your yarn friendship bracelet will begin to “grow” on the other side of the disc, give it a gentle tug every so often.

MAYBE THINK ABOUT GIVING YOUR FINISHED FRIENDSHIP BRACELET TO SOMEONE YOU WOULDN'T NORMALLY THINK OF AS A FRIEND, OR WHY NOT WEAR IT YOURSELF TO REMIND YOU OF SOMEONE WHO COULD BENEFIT FROM YOUR PRAYERS THAT WAY EVERY TIME YOU SEE IT YOU WILL BE REMINDED OF THEM
