The Story of Noah.

Using a Bible read the story of Noah.

If you don't have access to a Bible we have recorded the story of Noah from the The Big Bible Storybook.

We've chosen the story of Noah for our Cymuned Bach this week because it is a wonderful story of HOPE. Because even though God sends the floods to get rid of the Evil, he then sends a Rainbow as a visual promise that he will never flood the Earth again.

The rainbow is a symbol that is used a lot when talking about hope especially at this time when we need hope that things will get better and go back to normal.

Have you made a rainbow to place in your window yet as part of the hope that things will get better? If not why not think about making one? And if you have already made one then why not add the Bible verse that tells us that God promises it will get better.

Genesis 9:13 says "I have set my rainbow in the clouds, and it will be a sign of the promise between me and the Earth."

God Cares About Each One of Us

Whether we're big or small,
Whether we're short or tall,
God cares about each one of us.

Whether we're slow or fast,
Whether we're first or last,
God cares about each one of us.

Whether we're quiet or like to shout,
Whether we prefer to stay home or go out,
God cares about each one of us.

Whether we're dark or fair,
Whether we have curly or straight
hair,
God cares about each one of us.

No two people are quite the same,
But God knows each of his children by
name and...
God cares about each one of us.

Thoughts

The story of Noah is very exciting until you get to Genesis 7. At that point the story seems to get bogged down in details.

The thing I find interesting in this part of the story is Noah's age when he gets on and off the ark. Noah was 600 years, 2 months and 10 days old when he gets on the ark, and when he gets off he is 601 years, 2 months and 27 days old. That means that Noah was on the ark for 1 year and 17 days.

That is a long time to spend in a cramped space, something that we might be able to relate to at the moment. BUT... Noah didn't have a tv, movies, games, a mobile phone or a garden. He had nothing to do while stuck on the boat except care for the animals.

The Bible doesn't tell us anything about how Noah was feeling whilst he was on the Ark. At times he may have felt like God had forgotten him. But Noah trusted God and so Noah had HOPE.

At this time of crisis it may sometimes feel like God has forgotten about us. If this is how you feel then take another look at Noah's story. Genesis 8:1 says "But God remembered Noah." When we read the word remembered in this verse it doesn't mean that God had forgotten about Noah. But that God kept his promise to Noah, He promised to save Noah and his family from the flood and that's exactly what he did.

So on the days when you are struggling and feel like God has forgotten you. Think back to Genesis 8:1 and know that God remembers you, He has not forgotten you. Have HOPE and we will all get through this in the end.
